Corporate Information :

Gayatri Tissue and Papers Ltd. was incorporated in the year 1987 executing civil works as sub-contractors.

1. SIGNIFICANT ACCOUNTING POLICIES

The accounts are prepared under historical cost convention and on the going concern basis, with revenue recognized, expenses accounted on their accrual and in accordance with applicable Accounting Standards issued by Institute of Chartered Accountants of India. The accounting policies have been consistently applied by the company.

1.2. Use of estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

1.3. Revenue recognition

- a) Revenue from fixed price construction contracts is recognised by reference to the percentage of completion basis, which necessarily involve technical estimates of the percentage of completion, and costs to completion, of each contract / activity, on the basis of which profits and losses are accounted. Such estimates, made by the Company and certified to the Auditors have been relied upon by them, as there are of technical nature.
- b) The stage of completion of contracts is measure by reference to the proportion that contract costs incurred for work performed up to the reporting date bear to the estimated total contract costs for each contract.

1.4. Fixed Assets and Depreciation

- a) Fixed Assets are stated at cost of acquisition, less accumulated depreciation thereon. Expenditure which are of capital in nature are capitalized at cost, which comprises of purchase price (net of rebates and discounts), import duties, levies, financing costs and all other expenditure directly attributable to bringing the asset to its working condition for its intended use.
- b) Depreciation is provided on straight line method at the rates prescribed in Schedule XIV of the Companies Act, 1956. Leasehold improvements are amortized over the period of lease.

1.5. Earning per share

Basic and Diluted Earnings per Share (EPS) is reported in accordance with Accounting Standard on Earning Per Share issued by ICAI. EPS is computed by dividing the net profit or loss for the year by weighted average number of Equity shares outstanding during the year.

1.6. TAXATION

a) Current Tax

Provision for Current tax is made based on the liability computed in accordance with the relevant tax rates and provisions of Income Tax Act, 1961. Provision for deferred tax is made for timing differences arising between the taxable incomes and accounting income computed using the tax rates and the laws that have been enacted or substantively enacted as of the Balance Sheet date.

b) Deferred Taxes

Deferred Tax is accounted for by computing the tax effect of timing differences which arise during the year and reverse in subsequent periods. Deferred Tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realized.

1.7. IMPAIRMENT OF FIXED ASSETS

The carrying amount of assets, other than inventories is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the assets is estimated. The recoverable amount is the higher of the asset's net selling price and value in use which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount.
